

**Experience:**

After receiving his professional degree in Architecture, Mr Zampetti began his career with Perkins and Will in their New York City office. Throughout his career, he has gained valuable nationwide project experience serving clients including IBM, Coopers and Lybrand, Lincoln Mercury, Time Inc, CVS, Circuit City Stores, Frito-Lay, TJ Maxx, Sprint PCS, the Waldorf Institute, Operation Head Start, Co-Op City, the Ronald McDonald House, the Gap, Ralph Lauren Polo, Boston Beer/Sam Adams, Dresser Valves, New York Hospital, Creedmore Psychiatric Center, the Tennessee Valley Authority, and the US Navy, to name a few. He established Studio Z Architecture in 1993 in Newport, Rhode Island and then moved the firm to Richmond, Virginia at the end of 1995.

Mr Zampetti creates value added architectural solutions using a three dimensional design process that combines client needs, creative vision, cutting edge technology, and the collaborative skills of the design team.
